DEPARTMENT OF DEFENSE  
APPROPRIATIONS ACT, 2000

SPEECH OF

**HON. CHARLES F. BASS**

OF NEW HAMPSHIRE

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 22, 1999

The House in Committee of the Whole House on the State of the Union had under consideration the bill (H.R. 2561) making appropriations for the Department of Defense for the fiscal year ending September 30, 2000, and for other purposes:

Mr. BASS. Mr. Chairman, I rise to speak on the FY00 Defense Appropriations Act and to express my support for the Air Force's F-22.

I wish to commend the distinguished gentleman from California, Mr. LEWIS, for producing a bill that addresses the serious and evolving challenges facing our military. Under his guidance, the Subcommittee has worked very hard to promote our national security within a constrained budget, and I believe the bill before us goes a long way toward addressing many of our most urgent military requirements.

I am, however, troubled by the Subcommittee's recommendation to cut \$1.8 billion from the F-22 program. I certainly appreciate the Subcommittee's concerns about the program and am fully aware of the substantial challenges it faced as it sought to reconcile military requirements with available resources. Nevertheless, I believe that the F-22 remains critical to maintaining the air superiority that has proven invaluable to the United States to date and will continue to be fundamental requirement in the future if our interests are to be protected. Indeed, the F-22 program is the Air Force's number one priority.

Mr. Chairman, although I support the bill before us on the whole, I look forward to working with the Subcommittee Chairman and other members of the Committee to ensure that the F-22 is fully funded in the final bill.

MEDICARE PRESCRIPTION DRUG  
BENEFIT PLAN

**HON. FORTNEY PETE STARK**

OF CALIFORNIA

**HON. ALBERT RUSSELL WYNN**

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

Friday, July 30, 1999

Mr. STARK. Mr. Speaker, I rise today with my colleague ALBERT WYNN (D-MD) on behalf of the citizens of the United States and their requests for a much-needed Medicare prescription drug benefit plan.

Some of the greatest financial difficulties faced by seniors today come as a result of in-

creasingly exorbitant medication prices. As the price of prescription drugs continue to rise, access to these vital drugs decrease concurrently.

Just this week, we received the following petition from the Homecrest House Resident Council of Silver Spring, Maryland. This petition was sent to various members of Congress as well as President Clinton urging us to work together for the institution of a Medicare prescription drug benefit plan Close to 300 of the residents signed this letter which stretches some seven feet long. It is an urgent plea that not only lays out their own concerns, but also those of seniors nationwide who are constantly restricted financially from obtaining vital prescription drugs.

The petition notes that decreased access to vital medications only contributes to prolonged illness and more frequent hospitalization, which subsequently increases the government's costs of caring for these elderly and disabled citizens.

We ask our colleagues to join with us today in protecting our seniors and in aiding them in gaining access to the prescription drugs to which they are entitled. This petition is yet another visible example of the need for Congress to actively improve and protect the Medicare program. All seniors deserve access to prescription drug medications. It is our duty today to guarantee that access through prompt enactment of legislation that adds a prescription drug benefit to Medicare.

I am submitting a copy of the petition we received which clearly illustrates the Homecrest House residents' concerns and requests.

HOMECREST HOUSE

RESIDENT COUNCIL,

Silver Spring, MD, July 8, 1999.

Hon. PETER STARK,  
House of Representatives,  
Washington, DC.

DEAR REPRESENTATIVE STARK: We are enclosing our petition signed by most of our 300 resident.

All acknowledgment would be greatly appreciated.

We are sure that we voice a concern of our friends around the nation, seniors and disabled, who do without other necessities in order to buy need medications.

We are confident that you will help us and that you and your party will get our vote, because you recognize how critically important it is to make prescription drugs more affordable for senior and disabled persons. Thank you for your cooperation.

Sincerely,

VIRGINIA BENSON,  
President.

MARY RYGLER,  
Chair, Community Affairs Committee.

Enclosure.

Copies of this petition have been either hand-delivered or mailed to President Clinton as well as several legislators.

As Members of Congress, you hold in your hands the future quality of life of retired and disabled Americans, most of whom worked hard all their long lives and contributed to the greatness of our beloved country!

The 300 Residents of a retirement community in Silver Spring, Maryland who signed this petition, reflect the strivings of most elderly and disabled Americans all over the country!

We are sending to you our urgent plea to address the most vital problem affecting our

segment of population and that is the skyrocketing cost of prescription drug!

The fact that many vital medications are out of financial reach of most seniors and disabled contributes to the misery of prolonged illness and more frequent hospitalization, which—in turn—increases the government cost of caring for millions of elderly and disabled.

Please keep in mind that we, seniors, take full advantage of the privilege of voting.

TAX RELIEF

**HON. DAVID L. HOBSON**

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Friday, July 30, 1999

Mr. HOBSON. Mr. Speaker, I commend my colleagues in the Senate for moving forward with a companion measure to the substantial tax relief and debt reduction contained in the Financial Freedom Act of 1999 that this chamber approved last week.

As we move towards a conference with the Senate, I want to urge my colleagues to continue to maintain the high priority we assigned to debt reduction.

When I am back in Ohio's 7th district, my constituents ask me to make sure Congress is paying off its debts, the same way they have to make their credit card and mortgage payments.

I agree with this approach, which will help ensure that we meet our future obligations while reducing the burden the debt represents for our children and grandchildren.

We made the right decision this year, when Congress set aside two-thirds of the surplus for Social Security and Medicare. This will help keep Social Security and Medicare solvent for the long-term.

Congress also pledged to pay down the national debt. This is a good step—we can put money back into the hands of taxpayers and maintain our fiscal responsibility.

I was very supportive of the "trigger" mechanism which was included in the Financial Freedom Act to make sure that our debt reduction plans remain on track. I urge my colleagues to insist this sensible and responsible provision remains a key priority during our negotiations with the Senate to produce a final tax relief and debt reduction measure.
